

TO WHOMSOEVER IT MAY CONCERN

It's my absolute pleasure to recommend Shubham Bhardwaj who worked at Viral Fission from 15, November 2022 - 21, July 2023. This individual joined our company as a Youth Ambassador and managed to fit in well in a short span of time.

After observing their enthusiasm and participation towards the tasks, they were given more responsibilities as a Team Leader where they lead & managed 36+ ambassadors efficiently. They executed the work & responsibilities given to them seamlessly.

Fluent communication, responsiveness to duties & social skills supported them in carrying out campaigns while leading a team and elevated the campaigns through garnered insights.

Under a limited span of time, they managed to grasp the necessary knowledge about the workings of a company in a way that makes them the perfect member for any team.

Based on our experience together, I strongly recommend them as a reliable individual & an exceptional candidate.
